

## **ABOUT US:**

Since 2017, the Farnham Family Services Training Institute has been at the forefront of delivering high-quality education to strengthen the workforce in substance use services and related human service fields. Training is designed to empower both experienced professionals and those exploring a path into this vital work—supporting growth, impact, and lasting change.

## **MISSION STATEMENT**

The Farnham Training Institute is dedicated to enhancing professional knowledge and skills by providing high-quality, accessible training and development opportunities. As the agency's training division, we create, promote, and foster professional growth and organizational effectiveness through innovative and diverse programs that support employee development, community partnership, and organizational enrichment.

Participation in our trainings is open to everyone, not just those associated with Farnham Family Services.

## **CERTIFICATIONS & CONTINUING EDUCATION:**

OASAS Certified: We are proud to be a Education Training Provider through the New York State Office of Addiction Services and Supports (OASAS).

NYCB Registered Trainers: Our team includes Best Practice Trainers registered with the New York State Certification Board (NYCB), assuring you of the highest quality instruction.

# **FARNHAM TRAINING INSTITUTE**

## **CASAC INITIAL TRAINING**

Farnham Family Services is an approved OASAS training provider for the delivery of the Credentialed Alcohol and Substance Abuse Counselor 350-hour initial certification program.

The CASAC is intended for individuals who provide or hope to provide direct clinical care services and substance use disorder counseling.

Cost: \$5,250.00 (scholarships and payment plans available)

## **PEER FOUNDATIONAL TRAINING**

This 50-hour course covers the required modules for the NYCB Certified Recovery Peer Advocate (CRPA) credential and includes 4 hours on Medication Supported Recovery, meeting all training and certification requirements.

At the end of this course, participants will be eligible to apply for the provisional CRPA status (CRPA-P) and sit for the NYCB/IC&RC Peer Recovery Exam.

Cost: \$650.00 (scholarships and payment plans available)

## **SAMPLE TRAINING OFFERINGS:**

### **SCREENING, BRIEF INTERVENTION, AND REFERRAL TO TREATMENT**

SBIRT (Screening, Brief Intervention, and Referral to Treatment) is an evidence-based method used to identify and address risky substance use. Its goal is to reduce or prevent substance-related harm through early intervention and support. Twelve-hour and four-hour classes available.

### **RECOVERY: THE BASICS**

This overview explores the core principles of recovery and the vital role of Recovery Support Services (RSS). Learn how RSS builds community, supports wellness, and empowers Peer Professionals in the recovery journey.

### **YOUTH MENTAL HEALTH FIRST AID**

This course empowers you to support youth who may be facing a mental health challenge or crisis. You'll learn how to recognize signs of mental health and substance use issues, understand what they may be going through, and respond with care and confidence. By the end, you'll have practical skills to reach out, offer support, and make a difference when it matters most.

## **CUSTOMIZED COURSES**

Farnham Training Institute believes your professional journey is unique—and your training should be, too. Offering customized, flexible training solutions designed around your goals is our priority. Whether you're an individual or an organization, Farnham Training Institute will work with you to develop, create, and tailor courses that meet your specific interests, needs, and schedule.
